MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security - Training
(Riot Control and Civil Disturbance Course #1
for Special DPD Security Employees)

1. I have just received the report and critique of subject course and I would like to express the appreciation of the DPD for this example of the continuing fine support rendered by the Office of Security to this Division.

2. I understand that the course was extremely well received and definitely assisted in making these Security Contract Guards better qualified for the sensitive operation to which they have been assigned.
